

# MSD of Wayne Township is moving to Direct Deposit for all FSA participants!

## It's your money. Why wait?

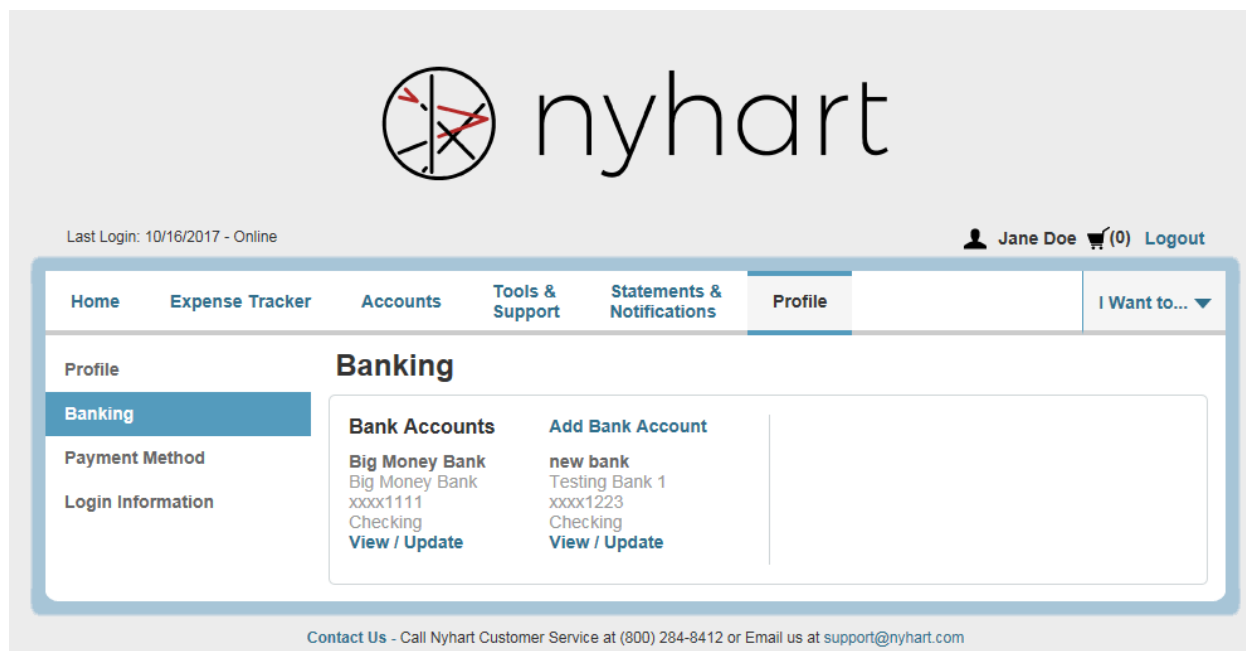

Effective January 1, 2018, claim reimbursements will only be issued by direct deposit. Paper checks will no longer be an option. You will still be able to use your debit card in the same manner that you do today.

Be sure to add your email address to your profile to receive "Advice of Deposit" notifications when money has been reimbursed.

## How do I get started?

Sign up is easy! First, you will need to log onto your account at <http://my.nyhart.com/>.

1. Under the **Profile** tab, click **Banking/Cards** located on the **left side**.
2. Select **Banking/Cards** and **Add Bank Account**. Enter your bank account information, and click **Submit**.
3. The update **Payment Method to Direct Deposit** page displays. Select the plan for which you want direct deposit applied. Click **Submit**.
